DUES - DUES - DUES: Is there a large red check-mark beside your address on the envelope? If so, my records indicate that you have not paid your 1984 dues. We do not like to lose members, however we cannot afford to keep sending Timber Talk to those that have not renewed. Dues are \$7.50 per year. If you are sending a cheque or Money Order please make it payable to the Canadian Association of Wooden Money Collectors (or CAWMC is fine) and mail it TODAY to our Membership Chairman: Don Robb, P. O. Box 724, Waterloo, Ontario N2J 4C2 Canada. The dues are \$7.50 and we do appreciate those U. S. members who have sent their dues in U. S. funds. The exchange difference assists in the higher postage costs to the United States.

Don Robb advises that as of February 19, 1984 we have 128 paid up members. That leaves 50-60 of you who haven't paid.

The breakdown of the 128 paid up members is: U. S. A. - 42, B.C. - 2, Alta. - 13, Sask. - 4, Man. - 2, Ontario - 46, Quebec - 10, N. B. - 7, N. S. - 1, P.E.I. - 1, and Nfld. - 0.

LOST MEMBER: Does anyone have the address for Bob Lomond, which I believe is in Ontario?

TORONTO INTERNATIONAL COIN FAIR: Don't forget the meeting of the Southern Ontario Chapter of CAWMC meeting to be held at the Lakeshore Inn, 2000 Lakeshore Blvd. West, Toronto, Ontario. The meeting, I believe is scheduled for Friday evening - March 23, 1984. Auction lots are also requested. More information (and auction lots) can be obtained from Norm Belsten, 37 Neames Cres., Downsview, Ontario M3L 1K8 Canada. I hope to see many of you there. Thanks should be extended to the TICF (and CAWMC Member) John Regitko for his support of our hobby.

NEW OLDIE DISCOVERED AT MODEL RAILROAD SHOW: Recently a few members of the Calgary Numismatic Society attended the Bow Valley Model Railroad Show in Calgary. Within the display entitled "Train Travel Through Numismatics" there was a selection of wood. With great surprise after viewing the display a model railroader from Kelowna, B. C. indicated that he had a collection of wood and many duplicates to trade. After exchanging letters, a large selection of woods arrived safely via Canada Post. Within this selection, it was discovered an interesting wood from Red Deer, Alberta not listed by Norm Wells in his catalogue. Below is a copy of the wood. The obverse shows a stock Indian Head, with the reverse inscription of: ACE T.V. RADIO CENTRE LTD. / 346-2803 RED DEER / Good / For / 5¢ / At Your / ZENITH / DEALER. These woods are printed in blue and at this time are not available to collectors. Submitted by Mark Mogen. [Ed. Note - Another collector attempted to contact the firm but it was learned that the telephone number is no longer in service, nor is there any current listing for Ace T.V. Radio Centre Ltd. It appears that they are no longer in business.]

FREE WOOD OF THE MONTH: Enclosed is Walter Loudon's Christmas wood shown above on the right. Thanks again for your kind donation Walter.

WOOD AVAILABLE FROM WILLIAM J. KENNEDY: CAWMC Member Bill Kennedy has recently issued two wood that are depicted below. The first is another Christmas wood not previously shown in TimberTalk. The side shown on the left is green, the obverse is red. The second issue, printed in black, is again a silver dollar size wood. It depicts the 60th Wedding Anniversary of Florence and William Kennedy. Both wood are well done and are available at 25¢ each + SASE. Bill also advises that he will trade his Christmas wood for any other Christmas wood plus SASE. He will also trade his Anniversary wood for any other wedding or anniversary wood, each paying postage. Write: William J. Kennedy Sr. - 5373 Seabeck Hwy NW - Bremerton, Washington, USA 98312.

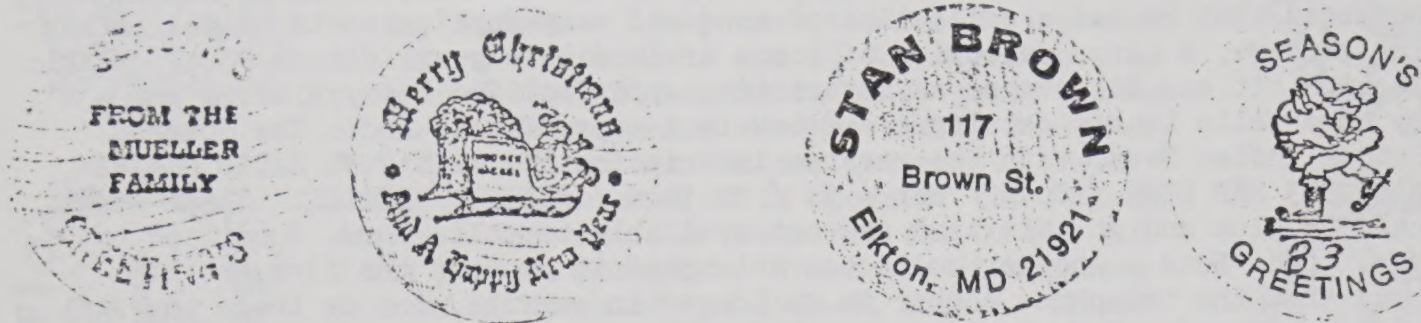

COLLECTING WOOD by Ron Dougherty - I enjoy collecting wooden money. I enjoy getting new wood each month, and sending my wood to those interested in our hobby. In the future I hope to donate enough wood to CAWMC to include with Timber Talk. In the future I would like to meet my 'correspondence friends.' In conclusion, wooden money collecting is a great hobby, if for no other reason than the fun of it.

ADDRESS OF WOOD SHOWN IN TIMBER TALK: With reference to a recent query, wherever possible I publish the full address. However it must be supplied in order to print.

TWO MORE CHRISTMAS WOODS:

Linc Mueller of 196 Ferndale Dr., Barrie, Ontario L4M 4S4 Canada advises that if anyone is interested in this (pictured at left below) his first Christmas wood, please write him.

WOODEN MONEY ASSOCIATION MEETIS AT TICF - NOVEMBER 1983 - by Al Munro

On Friday November 18, 1983 a group of Toronto area woodies met in Norm Wells' room to have a friendly meeting with visitors to TICF from Alberta, New Brunswick, the U.S., other areas in Ontario and elsewhere.

A discussion quickly ensued on the topic of Official CAWMC meetings and the consensus of opinion was that in view of the fact that as the Vice-President, Secretary-Treasurer and three Directors were present an official meeting was feasible. Moved by Al Bliman, seconded by Howard Richardson that this be considered an official CAWMC meeting. Carried Unanimously. It was then suggested by Garry Braunwarth, who arrived late, that in the past there has only been one official binding meeting of the CAWMC and this was the Official Annual General Meeting held annually during the CNA and advertised to members as such. An Official meeting could be held but motions, as in the past, would be viewed as recommendations to the CAWMC as a whole. This explanation was accepted by those present.

The meeting was chaired by Vice-President Norm Belsten. Minutes were taken by Al Munro, Secretary-Treasurer. Present were 17 members and guests: Al Munro, Garry Braunwarth, John Curtis, Mr. and Mrs. Max Brail, Don Robb, Norm Belsten, Russ Brown, Norm Wells, Lou Vesh, Al Bliman, Albert Kasman, Howard Richardson, Ian Graham, Geoff Bell, Wayne Gillcash, and George Fraser.

The meeting was called to order by Norm Belsten. A short discussion was held on regional representation and John Curtis made a motion that "A question be put to the Annual General Meeting of the CAWMC that the Board of Governors be reduced to four members elected on the basis of regional representation and the Past-President as Chairman. The regional representation to be as follows: 1 from Quebec and the Maritimes, 1 from Ontario, 1 from the western four provinces, and 1 from the U.S.A. Discussion of several points of interest followed but no further motions were passed. [Ed. note - Particular reference was made to the current lack of a Board of Governor member from the Maritimes. Since this meeting President Neil Probert increased the number of Board of Governors by one (to the level preceding the last election) and announced the successful candidate (according to number of votes received) is Ian Graham from New Brunswick.]

The official meeting was dissolved and a trading and bull session followed that lasted into the wee hours of the morning and was carried on informally over coffee (and other beverages) all weekend.

A good time was held by all and on behalf of all of us who visited TICF I wish to thank Norm Belsten, Russ Brown, Norm Wells and all the others for the hospitality shown to us. The meeting with other members of the CAWMC is one of the great joys of collecting wooden money and it is one of the main reasons why I collect wood.

Cheerfully submitted, Al Munro
